All members of the Florida Railroad Museum receive a 10% discount in the museum's gift shop, subscription to the quarterly newsletter TRACKS, and weekly e-mail updates and reports. You are encouraged to volunteer as a train crew member and begin working your way through the ranks from Car Host to Engineer! As a member, you are also eligible to join the Railroad and Industrial Credit Union of Tampa, Florida.

Over Please

Florida Railroad Museum
Membership Application

VOLUNTEER TRAIN CREWS:

The following special considerations apply to all members actively involved as a train crew member: Individual and Junior Members may bring their immediate family to ride the train as their guests on a space available basis at the discretion of the Conductor or Station Master.

INTERESTED IN VOLUNTEERING?

Please check if you have any interest in the following areas of our operation:

- Onboard Crew (Car Host, Trainman, Conductor)
- Engine Crew (Fireman, Engineer)
- Support Crew (Concessions, Ticket Agent, Gift Shop)
- Maintenance Crew (Locomotive, Equipment, Track)

As with any railroad, no one starts out as an Engineer. You will receive training from qualified volunteers who will teach you everything about running a train. During the course of your training you will be required to take written and practical tests.

MEMBERSHIP DUES:

Make your check or money order payable to the "Florida Railroad Museum, Inc." and mail it along with this completed application to:
